| 8 | 8.1 | Sewerage Treatment at Powell Croft
Cllr Tim Shenton filled all Cllr's in on the background of the pumping station currently servicing Powell Croft which until 12 months ago had been council run. Last year the council suggested that the pump be run by a management committee and in order to fund previous bills, the water company wanted to increase the resident's monthly bills. This was opposed by residents and there appears to be no proof of works carried out for the previous invoices received and also no procedures in place to account for all previous works. Cllr Wallbridge suggested that Cllr Tim Shenton speak to Cllr Barry Durkin to look further in to the matter and if necessary escalate it to Cllr Barry Wiggin | Cllr Tim Shenton |
