The Hangman's Field in Crow Hill

Saxon/ Normal origins of the Grade 1 Listed Church & churchyard

The old Baptist Chapel

Medieval Manorial Settlement remains found around Church

The old Shop, opposite the Moody Cow

The "Little Man" early sculpture in the Church

Black & white Tanhouse - the oldest house in the Parish

The Moody Cow Pub

Various Grade 2 listed properties across the parish - including Phocle Farmhouse, Tanhouse, Wobage, Felhampton Farm, Grendon Court

Are there other sites we need to to consider?

What building styles do you think most represent our village?

Is this important for future development?

Should we be more specific about the way new houses look?
